

Demons

Sleigh Bells

You drink the wise blood
You're gonna hear about it
You'll be taken down brick by brick by brick
Burn the orphanage
You're gonna pay for it
They will purify block by block by block

Demons
Come on
You've got a vision
You're on a mission

Demons
Live on
And when I die, hang me high

They're gonna bury you
They're gonna finish
They're gonna stand em up six by six by six
You pull the hood back
I wanna know
Which way will the heavenly go

Taken down, taken down, taken down
Taken down, taken down, taken down
Taken down, taken down, taken down
Taken down, taken down, taken down

Demons
Come on
You've got a vision
You're on a mission

Demons
Live on
And when I die, hang me high

And you will answer to no one else but me
