

Quick, assemble a symbol, a solution  
You're stalling  
Flags tangle in the wind  
Slash, slash  
Slash, slash

Hyper dark  
I think we have a problem  
Hyper dark  
So, you're like... troubled  
I think we have a problem  
Hyper dark

Hey now, big date, tongue in her shade  
Then you're going all the way  
All those kids  
Wasting away  
On a yearbook page  
That was torn out anyway

Pencil shreds, accolades and certificates  
In a trophy case  
Retrograde and Gatorade baths  
In the middle of May  
Slash, slash  
In the middle of May  
Slash, slash

Hyper dark  
I think we have a problem  
Hyper dark  
So, you're like... troubled  
I think we have a problem  
Hyper dark
