

Let's Get Crazy

Slick Rick

get, get, get, get, get a lil' stupid (Let's get crazy!)
get, get, get, get, get a lil' stupid (Let's get crazy!)
get, get, get, get (Let's get crazy!)
get, get, get, get, get a lil' stupid (Let's get crazy!)

Well it's me, and it's time to mingle
So wake up world and bus' out my new single
I take dead bodies and I boost them up live
So straighten up and be alert because the ruler's arrived
No {Not uncle sam} but I can still recruit
As {Hip-hop commander} of the people's troop
So troop be troopers and follow commands
Cuz' {No one can rule like the ruler Rick can}
Though some like it hot and some may like the shock
So let's get together what I mean is rock
No vanity, insanity {Strictly cloud}
Now put your hands together and scream and shout
{Go Slick Rick!} and then go bizerk
But {Keep it at a limit so no one gets hurt}
And don't be boring please not lazy
My jam's packed so let's get crazy

get a lil' stupid (Let's get crazy!)
Get, get, get a lil' stupid (Let's get crazy!)
Get, get, get a lil' stupid (Let's get crazy!)
Get, get, get, get a lil' stupid (Let's get crazy!)

The original, that's the title I've earned
Anybody disagreeing been burnt' and learnt'
Told a theif straighten up as I humble hell
And I {Bring a little rhythm} wherever I dwell
Cuz' the door's wide open and I'm taking a chance
As I dip through Europe and I'm going to (France)
Now I always may try and play like full of fun
But in this type of rap I number one
Not number (Two) on a wild-style blizzard
And if I was in the OZ I'd be (Slick Rick the wizzard)
Or some yound man named MC Ricky D
And no fool can say they created me
So wild child, lets go bizerk
But keep it at a limit so no one gets hurt
And don't freeload cuz' I'm not lazy
My jam's packed so let's get crazy

get a lil' stupid (Let's get crazy!)
get a lil' stupid (Let's get crazy!)
get a lil' stupid (Let's get crazy!)
get a lil' stupid (Let's get crazy!)
Oh my God!
Oh my God!
Oh my God!
Excuse me Doug E. Fresh (Yes)
get a lil' stupid (Let's get crazy!)
get a lil' stupid (Let's get crazy!)

Well we're in the last station of the final chapter
{Oh Ricky don't go} But you know that I have to

So tell me daily news and all the magazines
(Ricky D's in control) Of what? (Hip-hop scene)
Uptown downtown the man's rated supreme
If Martin Luther were here he'd say (Hey Rick I had a dream)
And if I'm at a jam it must be pumping
People dwell us light cuz' it's them I'm stomping
So y'all be adventurous (Shake and twist)
I insist that this will bring more than just bliss
A posse's and crewies' (Is the size you best)
It's time to get (Stupid), what I mean is (Fresh)
Hey wild child lets go bizerk
But keep it at a limit so no one gets hurt
And don't be a crumb and try to phase me
My jam's stacked so lets get crazy

get a lil' stupid (Let's get crazy!)
get a lil' stupid (Let's get crazy!)
get a lil' stupid (Let's get crazy!)
get a lil' stupid (Let's get crazy!)
get a lil' stupid (Let's get crazy!)
get a lil' stupid (Let's get crazy!)
get a lil' stupid (Let's get crazy!)
get a lil' stupid (Let's get crazy!)
get a lil' stupid (Let's get crazy!)
