(Lay, hey, hey)

Back in the day, we slow kiss And man, I did search for an interior motive 'Cuz all your look is sound hype I wanna see if you're worthwhile, settlin' down type God knows there's bigger So, observe to see if you gon' sweat the next nigga Oh, help me make green light furriers You know in life you can't race around with no worthless So continue the sequel You weighed in the scale and we lived as free people Then disagree and erupted too I don't feel my standards are being lived up to So erection conquers, I ran out Went and had sex in Yonkers God knows that flakin', jerkin' her and not the replace Great is lookin' for I thought you didn't love and didn't need (Lay, hey, hey) I thought you said forever to decease (Lay, hey, hey) I swore you were dishonest, do you believe? (Lay, hey, hey) I'll search this world forever, are you real? (Lay, hey, hey) Low is my time of honor Friend material and not that type of barner So myself out of chump Would the problems with having worth that type of jump Commitment, rig, act cruddy And regardless, move made and back studyin' Still screamin', thrown and elegance Grown, don't play, growned intelligence Fix what bother and another If speed's not made, once again, who gonna suffer? Stubborn fools came, the mule came Over here wit a girl from the old school name Though hit and all though back's about wit Memories and that's about it 'cuz 'Cuz, I thought you didn't love and didn't need (Lay, hey, hey) I thought you said forever to decease (Lay, hey, hey) I swore you were dishonest, do you believe? (Lay, hey, hey) I'll search this world forever, are you real?

And uneasiness kept here Even after we made this big giant step here Womanhood, somewhere in the basement Slowin' down again, so I'm lookin 'a replacement

Music poundin' a slow jam
Wit a girl knowin' and down wit the program
Although the honey aim style king
Wit a took broom and taimin' the wild thing

Loud, uneasiness brought out Still tried to shove my tongue down the bushy broad mouth Speedin', chasin' after vaccine Tried to string along but I didn't have the patience

Learned from cussin' and confusion Breakin' Commandments wasn't a solution Though a few minor clicks in relationship Still time to fix things

'Cuz, I thought you didn't love and didn't need (Lay, hey, hey)
I thought you said forever to decease (Lay, hey, hey)

I swore you were dishonest, do you believe?
(Lay, hey, hey)
I'll search this world forever, are you real?
(Lay, hey, hey)
