

1000 Times Before

Slick Shoes

You're opened yourself up this time
You don't know what to do or where to go
You wanted to be everything to someone you couldn't trust
Is this where you want your life to go?
Here you go again
Walking down this path
You're seen a 1000 times before
Here you go again
Telling yourself the same old lies
You're told a 1000 times before
And know you shut yourself off
Closed the door to reason
It's time to take a look at yourself through honest eyes
Give yourself that chance
Here you go again
Walking down this path
You're seen a 1000 times before
Here you go again
Telling yourself the same old lies
You're told a 1000 times before
