

Anything Anything

Slick Shoes

Ok, what is it tonight please just tell me what the hell is wrong

Do you want to eat, do you want to sleep, Do you want to drown,
Just settle down

I gave you candy, gave you diamonds, gave you pills
I gave you anything you want, hundred dollar bills
I even let you watch the shows you want to see
Just marry me

I'm so sick of you tonight you never stay awake when I get home
Is something wrong with me, something wrong with you, I really
wish I knew

I gave you candy, gave you diamonds, gave you pills
I gave you anything you want, hundred dollar bills
I even let you watch the shows you want to see
Just Marry Me

I was young I learned a game that love and happiness were the same
Now I'm older and I don't play cause I found out the hardest way
I got wasted she got mad, called me names and she called her dad
He got crazy and I did too, wondered what I did to you

I gave you candy, gave you diamonds, gave you pills
I gave you anything you want, hundred dollar bills
I even let you watch the shows you want to see
I'd give you anything anything anything
