

Hello Stupid

Slick Shoes

I think I'm going to lose my mind
If I screw up just one more time
But as long as you're with me
I'll be alright
Seems like I gimped over every day
Don't you wish that I'd just go away
Sometimes I don't know what
But I know you're always there
I hope it never seems that I do not care for you
You know it's true
I'll always be running up aside you and
When you go be up I want to be there
I've always wanted
I've always wanted this
Open up my eyes
I want to see your face
'cause I know you'll be there
When nothing else stays
No matter what the time
You've always been with me
