

So Much More

Slick Shoes

I see my future in your eyes
but I never thought I'd know
what it was to feel this way
but you've taken that away
there was no one else like you
when I first saw your smile
I never thought it'd be you
to change my life this way

But now I'm yours
and I feel so much more
I want to be there
the rest of your life
but I just can't see
how I deserve you

I could not have picked a better
person to be you

Funny when I had the chance to speak to you
I fell right to the floor in a wave of insecurities
I never know why you came to me
someone people talked about but few would talk to

And now I'm yours
and I feel so much more
I want to be there
the rest of your life
but I just can't see
how I deserve you

I don't know what to do sometimes
I just want to be all I can for you now
I'll be there when you need to be held
I'll be there when you're tired

I could not want more than what I have in you
what I have in you
