Does time go by? Was there a day when my love just wasn't quite enough? Was there ever a day I did not care? Have I ever shown you otherwise? I could not possibly love you more. But once again you've shown me I was wrong Cause every day I see your face Your beautiful green eyes, I find I love you more. I have traveled this land And I've seen a lot. There's nothing I've that could prepare. The deepest ocean. The fire in the sunset. I've never seen anything like them. I saw you and they could not compare. Once again you've shown me I was wrong Cause every day I see your face, You're beautiful green eyes, I find I love you more
