

When Does It End

Slick Shoes

Taking my time,
I thought I had learned how to deal with all the changes in my
life.
Things were going the way I had planned,
One more thing was thrown at me.
When does this heartache and pain ever end?
As long as I'm not by myself I know I'll be o.k.
It seems like every time things were going o.k.,
Life throws me a curve.
I stop for a second and ask myself,
Am I ever gonna make it through?
