Hey stoopid step inside
Hey stoopid come on and join the ride
Hey stoopid step inside

I said i thought that those cowards said a cowards
Said I neva' neva' neva' neva' neva' wanna bet
I said why can't a punk

But say i cannot tell ya baby where i'll be in a year
Because i'm stoopid

But i got better things to do
Than sit around an scratch my head
Make out with the living dead
I'm breakin' bottles
Breakin' fences

I said come along baby feel the rush inside
Hey stoopid
