

Jedi

Slightly Stoopid

I use the force 'cause I am a Jedi
But I'm a bad boy and I'm livin' up at the beach
What ya gonna do now
When I'm reaching for my piece of the action
But nobody seems to care, whoa, oh
Nobody seems to care that
I use the force 'cause I am a Jedi
But when I'm hittin' up a blunt
You know I'm down to get high
Roll another one until
You know what it means to say
Goddamn you're a smokin' machine
It's just the bass
Irie, I the Jedi
