

Reward For Me

Slightly Stoopid

Everyday my heart is sore
It seem that im so poor
But i shall not give up so easily
Theres a reward for me
Theres a reward for me
Though im boarded down with shame
Still theres no one here to blame
But i shall not give up so easily
Theres a reward for me
Theres a reward for me
Theres a reward for me

Everyday sing
Theres a reward for me
Everyday my heart is sore
It seem that im so poor
But i shall not give up so easily
Theres a reward for me
Theres a reward for me
Theres a reward for me
Everyday sing
Theres a reward for me
