Slightly Stoopid

Everyday my heart is sore

It seem that im so poor

But i shall not give up so easily

Theres a reward for me

Theres a reward for me

Though im boarded down with shame

Still theres no one here to blame

But i shall not give up so easily

Theres a reward for me

Theres a reward for me

Theres a reward for me

Everyday sing
Theres a reward for me
Everyday my heart is sore
It seem that im so poor
But i shall not give up so easily
Theres a reward for me
Theres a reward for me
Theres a reward for me
Everyday sing
Theres a reward for me
