

## Souls On Fire

Slightly Stoopid

I want your souls on fire now  
But i beg you run come cool me down  
But a me say souls on fire now  
But i beg you run come cool me down  
But a me say souls on fire now  
But i beg you run come cool me down  
But a me say souls on fire now  
At the roadbloack  
But me so sorry mr. cop (cock)  
I bet you anything you're gonna get shot  
At the roadblock  
But me so sorry mr.cop (cock)  
I bet you anything you're gonna get shot  
Me say now  
Hey mista copper say now why you stop me  
But i wasn't driving me car badly  
I said now don't lock me up because i smoke sensi  
Down in jamaica yes them live 'cross the sea  
But i want your souls on fire now  
But i beg you run come cool me down  
But i want your souls on fire now  
But i beg you run come cool me down  
(guitar solo)  
But i want your souls on fire now  
But i beg you run come cool me down  
But i want your souls on fire now  
But i beg you run come cool me down  
But a me say souls on fire now  
But i beg you run come cool me down  
But i want your souls on fire now  
At the roadbloack  
But me so sorry mr. cop (cock)  
I bet you anything you're gonna get shot  
At the roadblock  
But a me so sorry mr.cop (cock)  
I bet you anything you're gonna get shot  
I said now  
Hey mista copper say now why you stop me  
But i wasn't driving me car badly  
I said now don't lock me up because i smoke sensi  
Down in jamaica yes them live 'cross the sea  
But a me say souls is on fire now  
But i beg you run come cool me down  
But a me say souls on fire now  
But i beg you run come cool me down  
But i want your souls on fire now  
But i beg you run come cool me down  
But i want your souls on fire now  
But i beg you run come cool me down
