Stop

Stop! Go! Hey man i say it almost every single day That i wanna break another bottle over someone else's head Feelin' to hit you but we calmly step aside Don't you care about me don't you care about you Say! Stop! Pick it up! Hey man i say it almost every single day That I wanna break another bottle over someone else's head Feelin' el loco but we calmly step aside Don't you care about me don't you care about you Say! Stop!
