Leaning Post

You've been around a-playin', now do I hear you sayin' That you still love me the most My love you now desire, but there's a bad misfire Don't take me for your leanin' post When you were in the limelight, I never got the spotlight I wasn't good enough to know You say you're sad and sorry for causin' all the worry And that you need me so Well, if I believe your story and take you back and love you I'm the boss and there's no suppose And I hope you've learned your lesson and there'll be no more g uessin' Who's gonna be your leanin' post Ah, let's hear it now You've been around a-playin', now do I hear you sayin' That you still love me the most My love, you now desire, but there's a bad misfire Don't take me for your leanin' post When you were in the limelight, I never got the spotlight I wasn't good enough to know You say you're sad and sorry for causin' all the worry And that you need me so Well, if I believe your story and take you back and love you I'm the boss and there's no suppose And I hope you've learned your lesson and there'll be no more g uessin' Who's gonna be your leanin' post, oh yeah Who's gonna be your leanin' post, oh yeah Who's gonna be your leanin' post, oh yeah
