

## Looking Forward Looking Back

Slim Dusty

Looking forward, looking back  
I've come a long way down the track  
Got a long way left to go  
Making songs, from what I know

Making sense of what I've seen  
All the love we've had between  
You and I, along the track  
Looking forward, looking back

There are strange days  
Full of change on the way  
But we'll be fine, unlike some  
I'll be leaning forward, to see what's coming

Looking forward, looking back  
I've come a long way down the track  
Got a long way left to go  
Making songs, from what I know

If I'm alone at night, I can see  
Through all the triviality  
Of the day and I'm okay  
I just think of those who are dear to me

Looking forward, looking back  
I've come a long way down the track  
Got a long way left to go  
Making songs, from what I know  
Making songs, from what I know  
Looking forward, looking back...
