

## Buzz Me Babe

Slim Harpo

You buzz me babe, on your telephone  
You buzz me babe, on your telephone  
Wanna know from you baby, stayin' still goin' on

While I'm young babe, and I'm still in my prime  
While I'm young babe, and I'm still in my prime  
Wanna love you baby, while I still have time

When I'm old babe, and can't stand no more  
When I'm old babe, and can't stand no more  
I wanna hug and kiss you baby, and I think I'll let you go
