

Late Last Night

Slim Harpo

Late last night
Layin' down in my bed, alone
Late last night
Layin' down in my bed, alone
Well, I was thinkin' 'bout my baby
Why she wan' do me wrong

I walked all night
Baby, out in the cold and rain
I walked all night
Baby, out in the cold and rain
Well, when I found my baby
While makin' love to some other man

Ooh, but she hurt me so bad!

Do you love me, baby?
Darlin', right now is the time
Do you love me, baby?
Darlin', right now is the time
You know, ya only one, baby
Darlin', can ease my worried mind.
