

## Strange Love

Slim Harpo

Strange love  
Cutest thing I ever seen  
Strange love  
Cutest thing I ever seem  
You remind me of something  
That I have seen in a dream

Can I take you out to dinner  
Some place where we can be alone?  
Can I take you out to dinner  
Some place where we can be alone?  
Tell you how much I love you  
Then let me hold you in my arms

You as sweet as honey  
Love to be yo' honey comb  
You as sweet as any honey  
I love to be yo' honey comb  
Then when the time is right, darlin'  
There'll be some lovin' goin' on.
