Strange Love

Strange love Cutest thing I ever seen Strange love Cutest thing I ever seem You remind me of something That I have seen in a dream

Can I take you out to dinner Some place where we can be alone? Can I take you out to dinner Some place where we can be alone? Tell you how much I love you Then let me hold you in my arms

You as sweet as honey Love to be yo' honey comb You as sweet as any honey I love to be yo' honey comb Then when the time is right, darlin' There'll be some lovin' goin' on. **Slim Harpo**
