

## Tip On In Part 1

Slim Harpo

Ooh, lay it on me, baby  
Don't stop now  
Let your hair down, baby  
We ain't goin' to heaven, no how  
I'm ready to burn, baby  
Right here and now

Whoa, I dig those crazy clothes  
Let me feel those fish-net hose  
Cut low at the top  
And high at the bottom  
In fact, I don't see  
How we ever did without 'em

Now, there's a place down the street  
They call 'The Tippin' In'  
Let's walk on down there, baby  
That's where the fun begin  
But let me check you just one mo' time

Mmm-umm-mm!

You know you send me, baby  
Let's go on in here

Now, sock it to me!

Woo-ooo-wee!

You know this gettin' good to me, now?

Aaw, shuck!
