

What A Dream

Slim Harpo

What a dream
Layin' in my baby's arms
What a dream
Layin' in my baby's arms
Well, I woke up, I started crying
When I found out that she was gone

I'm gonna try-i
Gon' try to win yo' love, again
I'm gonna try-i-i
Gon' try to win yo' love, again
You know, I need yo' lovin', baby
I don't have no earthly friend

What can I do
What can I do to overcome?
What can I do-ooo
What can I do to overcome?
To make up for my mistakes, baby
Undo the wrong things I've done.
