Yeah, Slim Thugger, the Boss It's official baby, niggaz hating, now-or-later ass niggaz Get your money right, ha, listen

Nigga show me ten G's, and I'll show you a hundred All that shit you niggaz dream about, I've been there and done it Underground rap I run it, ask the stores you sell to Ask they owner, who they gotta give most of they mail to It's either me, Watts or Color Change running the game Not no Still in the Game, or bullshit Street Fame It's simple and plain, me and my boys get big change Even though they hating on my name, I get big thangs Talking bout you riding swangs, on what car my nigga You can't afford a Northstar, by far my nigga And Big Pic, you thought that bullshit like you big balling But before you started bootlegging, what was you crawling That oughta make you feel weak, when your shit don't sell You gotta bootleg me and Watts, just to get you some mail And A.D., please tell me what the fuck was you thinking Shooting slugs at the Boss, what the fuck was you drinking You trash nigga, and everybody know it You got a motherfucking Cougar, that right there is to show it Niggaz see Jay-Z and Nas, and start feeling they self Talking down on the Boss, is like killing yourself You lost your wealth, you should of kept your mouth closed Northstar, Big Balling and Stomp Down some hoes And it shows, you only hating on me cause I made it You can't get pre-orders, my album's anticipated And every nigga I spoke on, in all these songs I just put money in your pockets, so just leave it alone Think about it, everytime y'all make me do these c.d.'s I'm headed back to the bank, to pick up a hundred G's Lil' Yo, ask your sister how much cash I stack Everytime I hit the bank, she gotta go to the back And pick up mo' big faces, Bridgett you cool with me I just gotta wreck your brother, for being cruel to me You say I hurt his feelings, and I left him alone I got news, your little brother tried to do Slim wrong See how God works, the real niggaz succeed Why you haters make drank and weed, remember one thing Feel me

The truth hurt, don't it Lil' Yo Shouldn't of fucked with me, punk ass boy Ha, Lil' Mario fuck you, Big Pic fuck you Northstar and Big Ballin fuck you, ha
