

## Bandera Waltz

Slim Whitman

I danced with an a-a-ange-el  
On a night 'neath the stars  
Cowboys were singin'  
And playin' guitars

The song they were play-ay-ayin'  
Was a beautiful waltz  
They called it Bander-er-er-era  
The Bandera Waltz

The music so sweet  
Seemed to whisper to me  
She loves me, she loves me  
What else could it be

She's gone and left me-ee  
With a love that was fa-alse  
I'll remember Bander-er-er-era-a-a-a-a  
And the Bandera Waltz

The music so sweet  
Seemed to whisper to me  
She loves me, she loves me  
What else could it be

She's gone and left me-ee  
With a love that was fa-alse  
I'll remember Bander-er-er-era-a-a-a-a  
And the Bandera Waltz
