

I Gotta Girl (with A List Of Needs)

Slim Wray

I gotta girl with lists of needs
Down to her knees
Give me this, kiss that
Can't a boy please?

I gotta girl put me on a plane
From west to east
All that spice make you say
Give me cola, please

Oh I know!

Her pappa gone gave her things
From the age of five
Now this poor boy, gonna pay
Gonna pay that price

I gotta girl wanna hot air
Balloon ride
Question came to me
Can this girl fly?

Now I know!
