Slim Wray

She says that I have nothing to my name
So don't spread that shame on her dove
She says that I have a devil in my mind
A devil in my stride, all the time

All the time, all the time!

She gonna try to lock you up, I'll find you, ohahoh
She gonna try to lock you up, I'll find you, ohahoh
Your old lady's chase'n me with the Good Book, ohahoh
But down inside, she longs for times,
When she was chased like that!
Alright!

She say I can't spell no good
And that I dance such a fool
She says that I have the devil in my mind
A devil in my stride all the time

All the time, all the time!

She gonna try to lock you up, I'll find you, ohahoh
She gonna try to lock you up, I'll find you, ohahoh
Your old lady's chase'n me with the Good Book, ohahoh
But down inside, she longs for times,
When she was chased like that!

So she try hard to get a reaction
Try hard to get a reaction...
