Slim Wray

She says that I have nothing to my name  
So don't spread that shame on her dove  
She says that I have a devil in my mind  
A devil in my stride, all the time

All the time, all the time!

She gonna try to lock you up, I'll find you, ohahoh  
She gonna try to lock you up, I'll find you, ohahoh  
Your old lady's chase'n me with the Good Book, ohahoh  
But down inside, she longs for times,  
When she was chased like that!  
Alright!

She say I can't spell no good  
And that I dance such a fool  
She says that I have the devil in my mind  
A devil in my stride all the time

All the time, all the time!

She gonna try to lock you up, I'll find you, ohahoh  
She gonna try to lock you up, I'll find you, ohahoh  
Your old lady's chase'n me with the Good Book, ohahoh  
But down inside, she longs for times,  
When she was chased like that!

So she try hard to get a reaction  
Try hard to get a reaction...
