

## Take A Number

Slim Wray

Kinda wrong kinda right  
Can't hear so well  
So thanks for nothing  
Take a number stand in line

Such a waste  
Such a lie  
Just act like you don't know me well

Loudest words always say nothing  
As whiskey drowns out mine  
Pretty bows and laces  
Ain't a point of view

Such a waste  
Such a lie  
Just act like you don't know me well

Blindly buy what you've been sold  
Act surprised when the bill unfolds  
To your knees  
Kinda sly, kinda slow  
Catch me as I hit a low  
And can't defend
