Give me the dust of my fathers Stand on the face of the ancients Bare the secret flesh of time itself

Follow me... I've come so far, I'm behind again Follow me... I Wish so hard, I'm there again Follow me...

All that I wanted were things I had before All that I needed, I never needed more All of my questions are answers to my sins And all of my endings are waiting to begin

I know the way, but I faulter I can't be afraid of my patience There's a sacred place Razel keeps safe

Follow me... I've seen so much I'm blind again Follow me... I feel so bad I'm alive again Follow me...

All that I wanted were things I had before All that I needed, I never needed more All of my questions are answers to my sins And all of my endings are waiting to begin
