

# If Rain Is What You Want

Slipknot

It's been years since anyone could be a friend  
It's the fear that kept me fearing in the end  
Can we face it? Can we shape it? Can we really die?  
If rain is what you want, all you have to do is close your eyes  
Just close your eyes

I am watching resurrections start to crawl  
Is there any chance in hell? Any chance at all?  
Do we need it? Do we see it? Is it really there?  
If rain is what you want, then take your seats, enjoy the fall  
Enjoy the fall

... demon in my life  
The only thing closer than my life  
There's no black, there's not a, a comeback from my side  
My sad eyes (will never sleep again)

In these diamonds, we left the color black  
As pressure takes it's toll, we will outlast  
For you can't break my heart  
As long as I can be myself, I'll never fall apart  
And you can't take me yet  
If I'm not broken, break me down  
So I will never feel alone again

... demon in my life  
The only thing closer than my life  
There's no black, there's not a... from my side  
My sad eyes (will never sleep again)  
My sad eyes (will never sleep again)  
My sad eyes (will never sleep again)
