

## New Abortion

Slipknot

I'm ethereal, my children are legion, serial  
They stick to my skin like beloved cysts  
I tear away with my nails and teeth and fists  
Touch the hands of inverted saints  
Follow my heart through the threaded pain  
Callow man is a sentinel screaming  
I see the future; the future is bleeding

Sores, every goddamn minute I can feel 'em now  
Like a virus, you will never kill me now  
Goin' underground, comin' on like hepatitis  
We're out - and you can't reshape us  
Another bug in the construct  
Tearin' up the main bus B  
Zeros and ones are everything - execute me

Everywhere you look, it's like they know  
Their fingerprints are hidden by CONTROL  
This is where the line is drawn, see  
YOU CAN'T TAKE MY SOUL AWAY FROM ME

What do you need to see? Ya feel the impact?  
Gotta retract - everybody get back  
What is this? It's like a big conspiracy  
Fields of dejected morbid progeny  
They always say that it's always our fault  
But everything we say is taken with a grain of salt  
Man, it's always the same, if we talk or complain  
We only wanna upset the balance  
How's it feel to be the New Abortioin?  
The only generation to suffer extortion

Everywhere you look, it's like they know  
Their fingerprints are hidden by CONTROL  
This is where the line is drawn, see  
YOU CAN'T TAKE MY SOUL AWAY FROM ME

YOU CAN'T TAKE MY SOUL AWAY FROM ME
