

# Not Long for This World

Slipknot

Cutting or scratching, they scar the same  
The angle is off, the edges are soft, the mark remains  
I know I'm bitter and full of rage  
You would be too, what I've been through  
Knowledge is a difficult age

So decide  
Tell me how I'm gonna die  
'Cause I've already gone away  
Decide  
Tell me how you loved a lie  
It wasn't really hard to see  
Hard to see...  
Not long for this world!

Carving or biting, we bleed for keeps  
Out of control, into the cold, hell repeats  
God, I'm starving, spreading me thin  
Buying a story, my soul is for sale  
Trust is such an arrogant thing

So decide  
Tell me how I'm gonna die  
'Cause I've already gone away  
Decide  
Tell me how you loved a lie  
It wasn't really hard to see  
Hard to see...  
Not long for this world!  
Not long for this world!

I KNOW THE SHIT YOU EAT  
There's nothing mellow in the  
DRAMA YOU LIVE AND BREATHE  
You like your secrets to be  
KEPT IN THE FAMILY  
You don't get credit for your  
RARE GOOD BEHAVIOR, GO BE A SAVIOR  
You don't seem to get what I'm saying...  
And I'm sick and tired of explaining!  
GOODNIGHT, GOODBYE, GOOD LUCK  
There's nothing worse than a  
GHOUL MANIFESTO, I'M NOT IMPRESSED THOUGH

The greatest conclusion that I ever had  
Was when I woke up and said, "That's enough!"  
Living never felt so bad  
You don't accept it, and I don't care  
Bury yourself above all your guilt  
When you're ready it'll be there

So decide  
Tell me how I'm gonna die  
'Cause I've already gone away  
Decide  
Tell me how you loved a lie  
It wasn't really hard to see

Hard to see...  
Not long for this world!  
Not long for this world!  
Not long for this world!

I was not long for this world...  
I was not long for this world...

I was not long for this world!  
I was not long for this world!  
I was not long for this world!  
I was not long for this world!
