

# Losing California

Sloan

You hit rock bottom and everybody knows it  
But does anybody care how you got there?  
Admit to yourself that everything's a problem  
But when it comes down what do you care

They're losing California  
Inch by inch, sit back and watch it go  
Coming in clearly  
Dance dance dance to the radio

And everybody loves it but  
Nobody knows what it stands for  
Get into yourself in dark sunglasses  
And elevate it all 'til it means more

And move out to California  
Inch by inch is all you need to go  
Coming in clearly  
Dance dance dance to the radio

Sometimes it's too much  
You want to get right out of your mind  
Sometimes it's too much  
You're gonna go right out of your mind

You hit rock bottom and everybody knows it  
But does anybody care how you got there?  
Admit to yourself that everything's a problem  
But when it comes down what do you care?

Sometimes it's too much  
You want to get right out of your mind  
Sometimes it's too much  
You're gonna go right out of your mind

California  
Inch by inch, sit back and watch it go  
Coming in clearly  
Dance dance dance to the radio  
California  
Inch by inch, sit back and watch it go  
Coming in clearly  
Dance dance dance to the radio
