

## Rest Of My Life

Sloan

I started thinkin' bout  
The rest of my life  
I found my selfish looking out for  
Trouble and strife

Someone with whom I'll spend  
The rest of my days  
But if I ever said I wasn't  
Set in my ways

Then I guess you caught me  
Lying to myself

What kind of fool  
Doesn't think about it?  
You'd have to be a fool  
Not to think about it

Am I gonna settle down  
(Am I gonna be...)  
Someone who has to take  
The rest of my life  
To settle down?

Then I guess you caught me  
Lying to myself

Who'll make a man out of me?

One thing I know about  
The rest of my life:  
I know that I'll be  
Living it in Canada

I know I said I'll share  
The rest of my days  
But I was only  
Going through a phase
