

Runnin' From the CIA

Sloppy Seconds

I'm tired of runnin from the CIA,
tired of runnin from the CIA,
tired of runnin from the CIA!

And I'm going down for a seaside drive
and ain't nobody gonna take me alive,
because I got no time to run about -
the wind is high and the sun is out today!

I'm tired of runnin from the CIA,
tired of runnin from the CIA,
tired or runnin from the CIA!

And I'm hangin out at the local Y
cause the Secret Service, and the FBI,
the KGB and the IRS
have all got my home address!

So, I'm tired of runnin from the CIA,
tired of runnin from the CIA,
tired of runnin from the CIA!

And the only girl I've ever loved
was kidnapped, beaten, raped, and drugged!
And Mars needs women, but Mars can wait,
cause I ain't going to masturbate! No Way!

I'm tired of runnin from the CIA,
tired of runnin from the CIA,
tired of runnin from the CIA!

(Musical break including samples from Mars Needs Women)

And the only girl I've ever loved
was kidnapped, beaten, raped, and drugged!
And Mars needs women, but Mars can wait,
cause I ain't going to masturbate! No Way!

I'm tired of runnin from the CIA,
tired of runnin from the CIA,
tired of runnin from the CIA!
