

Me And You

Slow Club

We're moving gravel off someone else's drive,
Into a barrel, it helps us stay alive.
Off to market
You will buy a cone.
They'll never notice,
They're never home.

Policy and bureaus help to move the tide,
Pounds filling euros, get yourself a life.
He loves you for who you are,
and nothing could see other one it's tight.
Marry into money, marry twice.
Live underneath the staircase, of speak your mind.

Well I've got a feeling someone else is reading
The letters I wrote to you.
Well, my pets illiterate
And I live alone.
So, it's someone in betwixt of me and you

Me and you,
Me and you.
Last time we spoke I thought we were through.
I found a map,
I found a map,
I found a map,
I found a map.
And now i know the way you can just go
Back, back, back, back.

There's a bat hibernating on my bathroom wall,
No-one went in for weeks, he thought it was a home.
Safe to sleep the nights away,

I offered him some food but he said, I cannot stay,
I'm disgraced by my actions and I'm at law from the cay,
Crying in the taxi won't do you no good.

I tried to make a vessel but there was no wood.
Strong enough to bend and never swell
We can jump right in
And buy a pair of gills.
But holding on for that long might a job as well.

Me and you,
Me and you.
Last time we spoke i thought we were through.
I found a map,
I found a map,
I found a map,
I found a map.
And now i know the way you can just go
Back, back, back, back.

Me and you,

Me and you.
Last time we spoke i thought we were through.
I found a map,
I found a map,
I found a map,
I found a map.
And now i know the way you can just go
Back, back, back, back.
Back, back, back, back.

Help yourself out, shoot history in the mouth,
It's all that's left to do.
Look me up in some phone book
Under, Me and You.
