

Redneck Bar

Slow Runner

I love you redneck bar
That's where I saw her
I love you redneck bar

I love you road construction
Keep me for hours
Keep me all afternoon
I'm listening

I love you cigarette
You smell just like her
I love you cigarette

I love you sidewalk preacher
Keep me for hours
Keep me all afternoon
I'm listening

Kill me
Kill me tomorrow
You couldn't bother me if you tried
Kill me
Kill me tomorrow
You couldn't bother me if you tried

And I love this town the most
When it's half broken
I love you beat up car
Cigarette
Redneck Bar
I love you Redneck Bar
