Albatross

Looks like rain again Can't remember Can't remember What I'm missing

I'm feeling now I'm missing Wishing For the sun

Feels like yesterday I can't believe Can't believe It's true

Don't turn away You're feeling Feeling Something new

Looks like rain again Can't remember What I'm missing

I'm feeling now That I'm wishing For the sun

Feels like yesterday But I can't believe It's true

Don't turn away Are you feeling Something new? Slowdive
