

# All Of Us

Slowdive

this whole life  
is all of us  
this whole dream  
is all of me

minnow lies  
inside me now  
no one here  
is sure

he is all of us  
he is all of us  
he is all of us  
he is all of us

he looks centuries older  
he's of centuries gone  
recognise i need her  
i can hold you close

he is all of us  
he is all of us  
he is all of us  
he is all of us
