

## Avalyn I

Slowdive

Silence grows  
My feelings flow  
I'm dreaming now  
Of all the things I know  
Why i'm here

I think of you  
My feelings flow  
I'm running around  
My mind thinks  
through  
Why I'm here

I see your face  
My mind explodes  
I'm wondering why  
I die

I'm here on my own  
I'm here on my own  
All alone...
