

## Everyone Knows

Slowdive

I fell  
I see  
Of your whole  
whole  
America

America  
You can't stay with me  
America  
Give it to the plastic life  
Give it to America, America(?)  
Willing (?)  
Ooh, don't agree  
Ooh, don't agree at all

[?]America  
You can't help  
Give it to America  
Give it to America  
Give it to America
