Machine Gun

Slowdive

See you walking and I know shes my friend, again Just the weight of the water drags me down, again Guess I'll think of the water its my friend, oh yea It's just the way that the water makes me feel again

Son of Sheba I saw him drown Son of yellow I saw him drown It's all I need yeah

See you walking and I know shes my friend, again Just the weight of the water drags me down, again Guess I'll think of the water its my friend, oh yea It's just the way that the water makes me feel again
