Star Roving

Nothing left to fight

Give it away, my girl Can't hold on To me Every black and white Secrets of blinking light And like flies on Said she's feeling warm for everyone tonight Although possible Said she's feeling good, said she's feeling good Smiling beautiful She says I'll make it bad For everyone to hide Twisting by my girl Nothing left to lose

Give it away, my girl Can't hold on to mine Every black and white Secrets of seeking light In a flash of time Said she's feeling warm for everyone tonight Smiling beautiful She says I'll make it bad for everyone to hide

Slowdive
