When The Sun Hits

Sweet thing, I watch you Burn so fast it scares me

My game, please don't leave me Come so far, don't lose me It matters where you are

As the sun hits, she'll be waiting With the coffins under heaven Hey hey lover, you're still burning You're his song yeah (hey hey)

Sweet thing, I watch you Burn so fast it scares me

My game, don't lose me Come so far don't lose me It matters where you are

As the sun hits, she'll be waiting With the coffins under heaven Hey hey lover, you're still burning You're his song yeah (hey hey)

Sweet thing I watch you (burn away)
