

Cracked and cold
Collapsed as usual
Some could say
Cracked and old
It took me ages anyway

Nothing special, nothing new
But there's nothing I can do
One or two
Forever me
Forever you

Cracked and bold
Delicious, gracious
Girls should know
As good as sold
Attracted, plantigraded slow

Nothing special, nothing new
But there's nothing I can do
One or two
Forever me
Forever you

But I tried so hard
Over and over again
Yes I tried so hard
But I tried so hard
Over and over again
Days get colder, greyer, too

But I tried so hard
Over and over again
Yes I tried so hard
But I tried so hard
Over and over again
Over and over again
