

Falling Down

Slut

Why am I here around
No one around
Been shattered to the bone
Underground
What am I waiting for
Very strange
To reach another shore
Nothing's ever changed

This ain't no state of mind
When everything gets red
I'm trying to be kind
Sort of different head
Can you hear me falling down
Can you hear me falling down
Can you hear me falling down
Can you hear me
Why is it up to me
Is it always

Falling to pieces instead
A hundred memories
Forget
I've been through
Which voice was loud enough
To push my thoughts
I'm not that rough
Quickly caught

This ain't no state of mind
When everything gets red
I'm trying to be kind
Sort of different head
Can you hear me falling down
Can you hear me falling down
Can you hear me falling down
Can you hear me
Why is it up to me
Why is it always up to me

This ain't no state of mind
When everything gets red
I'm trying to be kind
Sort of different head
Can you hear me falling down
Can you hear me falling down
Can you hear me falling down
Can you hear me
