

# I Can Wait

Slut

I can wait

Give up  
Save your  
Strange behaviour  
Give up  
Save your  
Strange behaviour

Listen to the TV  
While the radio keeps playing the same song

Lay down quiet  
But no more of your riots  
Lay down quiet  
But no more of your riots

Listen to the TV  
While the radio keeps playing the same song

Give up  
Save your  
Strange behaviour  
Lay down quiet  
But no more of your riots

We never ever know

Lay down quiet  
But no more of your riots

I can wait
