

# The Day It Rained Forever

Slut

Oh it's crazy to remember  
And it ain't easy to forget  
The day it rained forever  
With the rain in my bed  
A lot of water on the window  
A lot of water in the place  
That ran along the rooftop  
And into my face

Yeah I think I had a problem  
And I think that it was me  
On the day it rained forever  
When you start to speak:  
"If every f is for the future  
Then all the t is for the time  
It's useless when we stay together  
My little divine

I think I'm going away  
Leave today  
I think I'm going away now  
Leave today"

Oh these are the words that will always remind me of you  
These are the words that will always remind me of you

"I think I'm going away  
Leave today  
I think I'm going away now  
Leave today"

Oh these are the words that will always remind me of you  
These are the words that will always remind me of you  
Of you
